

Day 1: Tuesday, April 22, 2014, USA / SHANNON

Pilgrims are welcomed at an international airport for our departing flight to the Emerald Isle aboard a wide-bodied jet arriving the next morning. Meals are served on board.

Day 2: Wednesday 4/23, SHANNON / CLIFFS OF MOHER / BALLYVAUGHAN / KINVARA / GALWAY / WESTPORT

Cliffs of Moher

Upon our arrival in Shannon, we meet the driver of our private motor coach and our full-time tour escort. We proceed to the Cliffs of Moher, one of Ireland's most stunning natural beauty locations which defiantly stand as giant natural ramparts against the aggressive might of the Atlantic Ocean. In some places the cliffs rise over 700 feet

and stretch for almost 5 miles. We visit O'Briens Tower (weather permitting), a viewing vantage point located on the highest cliff. We continue along the coastal route to Ballyvaughan (County Clare) where you will begin to see the lunar-like landscape of the Burren region. It is like no other place in Ireland. There are no bogs and very few pastures. Instead there are huge pavements of limestone called 'clints' with vertical fissures in them called 'grikes'. Most of the drainage is underground in caves. Evidence, in various stages of preservation, still survives man's habitations and tombs are seen all around; massive dolmens, wedge tombs and stone forts (called cahers ~ farmer's homesteads from long ago). Churches and castles indicate later periods of settlement. The Burren is also famous for its plant life, where limestone-loving plants thrive. From there, travel along the shores of Galway Bay to Kinvara, a fishing village which is home to the country's most photographed castle, Dunguire. Then, we proceed to Galway to celebrate Mass. You will have free time to explore on your own or take an optional walking tour with the escort to explore Galway city. Galway is vibrant cultural experience packed with music, festivals, pubs, restaurants, shops, theaters, and horse racing. Later today, we board the motor coach for our transfer to Westport to check in at the hotel for a welcome dinner and overnight.

Day 3: Thursday 4/24, WESTPORT / CROAGH PATRICK / KYLEMORE ABBEY / CONNEMARA / WESTPORT

After breakfast we drive to Croagh Patrick, Ireland's Holy Mountain. Here St. Patrick spent the forty days of Lent in the year 441 AD in prayer and fasting. Next, we proceed to Kylemore Abbey for a visit to the gothic castle on the shores of Kylemore Lough. Then, we continue to Connemara, a western region of Galway characterized by peat bogs and rugged, mountainous terrain. The countryside is lush and beautiful and home to a great variety of wildlife. We return to Westport. This evening, join new friends or enjoy a private sampling of authentic Irish cuisine at the restaurant of your choice as **dinner is on your own**. Overnight in Westport.

Day 4: Friday 4/25, WESTPORT / KNOCK / GORT / LIMERICK / BUNRATTY FOLK PARK

Our first stop today is the historic Westport House, where we see artefacts, artwork and original antiques that offer an insight into this well-preserved and important piece of Irish heritage. The famous Pirate Queen (Grace O'Malley) built one of her castles here in the 1500's and there has been a "big house" on the grounds ever since then. The current "big house" was built by the Browne family in 1730 and it remains in their family today. Of the 30 rooms, 5 exhibits are open to the public. As our journey continues, we proceed to Knock, a humble village whose shrine attracts pilgrims from all over the world, including John Paul II (1979) and Mother Teresa (1993). On August 21, 1879, the eve of the Octave of the Assumption, the parish church of Knock was the scene of a heavenly apparition. The Blessed Mother, St. Joseph, St. John the Evangelist, and an altar with a Lamb upon it were seen by 15 townspeople. The saints were silent; no message was given to the people, only an example of prayer and a rich symbolism in their appearances. After Mass at Knock, we visit the basilica and shrine. From there, we visit the monastic settlement of Kilmacduagh (Gort) with its 11th or 12-century round tower and roofless church (known as the cathedral). Then, we travel to Limerick to check in at our hotel. Next, we visit Bunratty Castle and Folk Park. Bunratty castle was built in 1425 and authentically restored in 1954. The folk park is situated on 26 acres and recreates 19th century Ireland. Features of the folk park include a recreated village street, 8 farmhouses, a watermill, a blacksmith's forge, Mac's pub, a church and a display of 19th-century farm machinery. There are many demonstrations at various points as you walk through the folk park. We tour the castle and folk park followed by leisure time. This evening, for dinner, we will attend the Medieval Banquet, a festive event in which we will enjoy a traditional Irish dinner and music. Overnight in Limerick.

Day 5: Saturday 4/26, LIMERICK / ADARE / DINGLE

We depart Limerick and travel to Adare, a beautifully manicured village of thatch-roof cottages. Mass will be celebrated at Holy Trinity Church (subject to confirmation). Then, we will visit the Augustinian Priory or "Black Abbey," founded in 1315. We have the opportunity to stroll along a lovely scenic path to view the ruins of St. Nicholas Church, Chantry Chapel and the Franciscan Abbey. Today's traveling concludes upon our arrival in Dingle. The Dingle peninsula thrusts out into the Atlantic Ocean to claim Ireland's most westerly point. Here, majestic hills soar green and purple over vast bowls of unspoiled valleys. Mountain streams tumble down to lakes, hedgerows blaze with fuchias and golden beaches stretch for miles. The Dingle Peninsula is a place of intense, shifting beauty. We check in at our hotel for dinner and overnight.

Day 6: Sunday 4/27, DINGLE / SLEA HEAD / GALLARUS ORATORY / DINGLE (OPTIONAL GOLF OUTING)

This morning we tour Slea Head, located at the southwestern extremity of the peninsula and stop in at the Blasket Islands Visitors Center on Slea Head. Next, we proceed to Gallarus Oratory, an ancient dry stone construction whose longevity testifies to the skill of its builders. Held together completely by the weight of stones (no mortar) the building has withstood wind and rain for over 100 years. It is typical of the type of church in which St. Patrick himself worshipped. From there, we head back to the beautiful Dingle Peninsula where the day is free. Play a round of golf at the local golf club (additional \$60) or spend time exploring the beauty of this coastal area. The panoramas will offer many photographic opportunities. This evening, enjoy a beer and a bite to eat any local establishment as **dinner is on your own**. Overnight in Dingle.

Day 7: Monday 4/28, DINGLE / KILLARNEY / KENMARE / GOUGANE BARRE PARK / CORK

Our first stop today is a visit to the Muckross Friary and Muckross House and Gardens located in the Killarney National Park. From here, we take the scenic mountain drive to Kenmare, a perfect café stop or shopping stop. We continue to Gougane Barra Park on the shores of the River Lee. It is here that natural beauty collides with towering hills over Gougane Barra Lake and St. Finbarr's Oratory. Just behind the Oratory are the remains of St. Finbarr's Monastery from the 6th century. Our next stop is Cork City, Ireland's 3rd largest city following Dublin and Belfast. Cork City has always been an important seaport. The ups-and-downs of the hilly streets compare to the voices of the locals as their characteristic cadence regards Corkonians as the most talkative of all the Irish. We proceed to our hotel in Cork to check in for dinner and overnight.

Cobh Waterfront

Day 8: Tuesday 4/29, CORK / BLARNEY / COBH / CORK

After breakfast, we visit St. Finbarr's Cathedral before we make our way to the Blarney Castle. The Castle is host to numerous visitors each year, who come to kiss the renowned Blarney Stone in hopes of gaining eternal eloquence. The stone itself is set in the wall below the battlements and to kiss it, one has to lean backwards (holding on to an iron railing) from the parapet walk. Then, we will have a little time at the Blarney Woollen Mills to browse through various types of Irish gifts, including Waterford crystal, Belleek China, Lladro, Aran sweaters, Irish crystal and linens, Irish jewelry and celtic gifts. From there, we travel to Cobh which was known as Queenstown before reverting back to its old Irish name in 1922. Cobh (meaning the cove of Cork) is full

of poignant memories because of its embarkation point for travel to America. Remember, Cobh was the last port of call for the ill-fated Titanic. This waterside town is comprised of brightly colored homes where its streets climb steep slopes leading to the Cathedral that crowns the top. We visit the Cathedral before we conclude our day by returning to our hotel. **Dinner is on your own** this evening. Overnight in Cork.

Day 9: Wednesday 4/30, CORK / ROCK OF CASHEL / DUBLIN

We bid farewell to Cork today and move toward the Rock of Cashel, an impressive medieval complex called "The Acropolis of Ancient Ireland." The Rock of Cashel is one of the most spectacular archeological sites in Ireland. Dating from the 4th century, it was originally used as a fortress. Mighty stone walls encircle a complete round tower, a roofless abbey, a 12th century Romanesque chapel, and numerous other buildings and high crosses. Next, we continue through the midland counties to Dublin, Ireland's capital city. Dublin has all the attractions of a modern city, combined with the beauty and heritage of the past. Elegant shops, hotels, galleries, coffee houses and a stunning variety of restaurants have sprung up on almost every street in the capital. The group will enjoy a city tour, where we see the statue-lined O'Connell Street, Georgian Squares, Phoenix Park, and St. Patrick's Cathedral. Our day concludes with a tour and time at Dublin's top tourist attraction, the Guinness Brewery. This evening, indulge in the culinary delights of Ireland at the pub or restaurant of your choosing as **dinner is on your own**. Overnight in Dublin.

Rock of Cashel

Day 10: Thursday 5/1, DUBLIN / GLENDALOUGH / WICKLOW / DUBLIN

Glendalough, home of the monastery established by St. Kevin in the 6th century, is our first stop today. St. Kevin was born in 498, of royal blood, but rejected his life of privilege and instead chose to live as a hermit in a cave in Glendalough. He founded the monastery and also went on to create a center of learning devoted to the care of the sick and the copying and illumination of manuscripts. Amid the remains of this monastic settlement, one can feel the powerful sense of peace and tranquility. We spend time in County Wicklow ("the Garden of Ireland") and then return to Dublin where we will enjoy a free afternoon to explore the capital city, shop, or spend quiet time soaking in the sites and culture of Ireland. We gather for a group tour of Trinity College Library where we can admire the 1200-year-old "Book of Kells" before we proceed to The Merry Ploughboy Pub for a festive farewell dinner to the sounds of traditional Irish music. Overnight in Dublin.

Day 11: Friday, May 2, 2014, DUBLIN / USA

This morning we begin our journey back to the United States. We take arive home inspired by holiness of the saints and the grandeur of God's majestic landscape.

All airfares are subject to government approval and change without notice.

INSURANCE: Insurance is NOT included in the tour price. Because of the cost of medical care outside the United States, the fact that Medicare does not provide coverage outside the United States, the possibility that your own insurance provider may not cover you outside the United States, and due to the potentially high cost of escorted air evacuation, travel insurance is strongly recommended. Consequently, for the protection of our clients, you will be mailed a travel insurance brochure/policy along with an insurance waiver form in the event you choose to decline coverage. The effective date of coverage will be the date that the insurance premium is paid and not the date of the initial deposit.
