Day 4: Tuesday 6/19, CRUISE: KUSADASI-EPHESUS / PATMOS

EPHESUS THEATER

HOUSE OF MARY

SHORE EXCURSION - ANCIENT EPHESUS AND THE HOUSE OF VIRGIN MARY: Drive through the colorful town of Kusadasi to reach Mt. Koressos. Situated in a small valley, it is here where you will visit the humble chapel which lies on the site of the little house where The Virgin Mary is believed to have spent her last days. Despite the many controversies, the Christian World still favors this belief and the site has been officially sanctioned by the Vatican for pilgrimage. Continue on to Ancient Ephesus and accompanied by your guide, walk through the Magnesian Gate which is the entrance to the ancient city of Ephesus. See the most magnificent excavations in the world. St. Paul's descriptive Letter to the Ephesians (5:21-33) describes the sacred bond between Christ and the Church in a beautiful comparison to that of the bond shared by a husband and his wife. During his three years of residency in Ephesus, Paul meets 12 believers. He baptized them in God's holy name and they received the holy spirit. Next, we walk back to the motor coach along the Arcadian Way, where Mark Anthony and Cleopatra once rode in procession. From there, we sail to Patmos.

SHORE EXCURSION - ST. JOHN MONASTERY AND THE GROTTO IN PATMOS: Depart from the port of Scala and enjoy a short drive to the village of Chora, where the monastery of St. John is built within the walls of a strong fortification. As you walk uphill towards the entrance of the monastery marvel at this magnificent structure, which was built 900 years ago. View the courtyard, the monk's dining room and the old bakery before you visit the main church noted for its outstanding frescoes and interior decoration. Next, visit the small museum where priceless ecclesiastical treasures, books, manuscripts, mosaics, icons, splendid medieval textiles, vestments and jewelry are housed. Return to your motor coach and continue to the nearby Grotto of the Apocalypse and the Monastery of the Apocalypse above it. Walk down the steps to the Grotto of the Apocalypse. Here you will see the niches in the wall that mark the pillow and ledge used as a desk by the author of the Book of the Revelation and the crack in the rock made by the voice of God honoring the Holy Trinity. Afterwards, drive back to the port of Scala and enjoy some free time in this quaint and picturesque town. We board the ship and set sail for Rhodes.

Day 5: Wednesday 6/20, CRUISE: RHODES & LINDOS

SHORE EXCURSION - RHODES & LINDOS: Drive along the picturesque south-eastern coastline, scattered with white-washed villages, to Lindos, one of the most important of the three great cities of ancient times. See how this entire city is guarded by medieval walls which were constructed by the knights of St. John in the 13th century. Within stands the ancient Acropolis of Lindos, on the brink of a precipice 400 feet above the sea. From the Acropolis, marvel at the breathtaking views covering the great expanse of the Aegean Sea and St. Paul's bay, where the apostle cast anchor during his historic voyage to Ephesus. Proceed on foot uphill, to the great staircase leading from the Hellenistic Portico to the Acropolis and Temple of Athena. Should you wish to make your way up by mule, a fee must be paid to the local muleteer. After your guided tour of the Acropolis, enjoy some free time on your own in Lindos village before meeting up with your motor coach. Return to Rhodes, where Acts 21:1 says St. Paul visited. Enjoy a panoramic drive through the new part of the city before continuing to Mount Smith where you will view the ruins of ancient Rhodes, the Temple of Apollo and Diagoras Stadium. Afterwards your coach will drop you off at Porte d'Amboise for a walking tour through the medieval city of Rhodes. Follow your guide through the northern part where once lived the knights and their attendants. View the Palace of the Knights and continue your walk down Chevaliers Road in order to meet up with your motor coach at the marine gate and return back to the ship.

Day 6: Thursday 6/21, CRUISE: CRETE-HERAKLION / SANTORINI

SHORE EXCURSION - KNOSSOS PALACE & MUSEUM IN HERAKLION: Crete is the largest and the most rugged of the Greek islands. En route from Jerusalem to Rome, St. Paul was forced to anchor here for a few weeks because of a hurricane. During his stay, he preached to the natives. Crete is also the home of the great Minoan Civilization and the mythological home of Zeus. After a short drive through the town of Heraklion the tour will arrive at Knossos excavations. Here, Sir Arthur Evans' archaeological discoveries revealed a civilization dating back to 4000 BC, when a great empire flourished on the island of Crete. Based on the wealth of artifacts that were found, Evans theorized that this was the site of the ancient Minoan Kingdom. These findings will be viewed in detail, as your guide will lead you on a journey of discovery to learn of the sophisticated culture that flourished thousands of years ago on this island. The tour will continue to the Museum of Heraklion which houses the treasures from the findings of Knossos, Phaestos, Zakros and others less known cities.

SHORE EXCURSION - SANTORINI: Explore the island on your own. It was here where Paul received an unheeded warning about his efforts to continue spreading his Christian beliefs. The island of Santorini is perhaps the most breath-

taking of all Greek islands. The white-washed houses, the narrow streets, the open-air cafes and boutiques of sparkling white of Fira village cling to steep cliffs, accessible by foot, cable-car or mule. From this extraordinary natural promontory, Santorini will offer you the greatest view on the largest active caldera of the world, where, according to the legend, the lost continent of Atlantis has been swallowed up. In the south there is Akrotiri where you can find recent Minoan excavations. We board the ship and set sail for our return to the Piraeus Port.

Day 7: Friday 6/22 CRUISE ENDS / PIRAEUS PORT / ATHENS

Early this morning our ship docks at the port of Piraeus. After we disembark, we tour Athens, beginning with a visit to the Acropolis. The Greek word "acropolis" is used in a broad sense to designate the fortified height of a city. On the Acropolis of Athens is the famous Parthenon (the main temple of Athena). We continue down to explore the Ancient Agora. Next we visit Mars Hill, the site where St. Paul expounded the subject of monotheism before the pagan Greeks (this address is recorded in Acts 17:22-31). We also visit Hadrian's Arch

and the **Modern Olympiad Stadium (if open)** before returning to our hotel for dinner and overnight. [D]

Day 8: Saturday 6/23, ATHENS / CORINTH / ATHENS

Today we travel from Athens to the **Peloponnesian Peninsula**. The Peninsula is connected to the main body of Greece by the Isthmus of Corinth. We cross the **Isthmus** to the town of the same name, where Paul lived and worked for two years after leaving Athens. The account of the foundation of the Christian Church here by Paul, the Apostle and Patron Saint of Corinth, can be read in Acts 22. We **view the excavations, the Bema Seat, and the museum**. We **return to Athens** for a **night tour of the city** and a **sound and light show** before continuing to a **typical Greek Taverna for dinner**. Overnight in Athens. [B,D]

Day 9: Sunday 6/24, ATHENS / flight / ISTANBUL

This morning, we proceed to the **airport** for our departing **flight into Istanbul**. Upon our arrival, we take a **sight-seeing drive** through the business centre of the modern city, across the Galata Bridge, along the banks of the Golden Horn and under the Byzantine Aqueduct of Valens. On the way, you can see the Suleymaniye Mosque, dedicated to Sultan Suleyman the Magnificent. Continue around the mighty city walls, which once protected Constantinople from the many invasions and attacks it suffered over the centuries. In the Old City, the first visit will be to the Byzantine Hippodrome, which was once one of the largest chariot race arenas in the Byzantine Empire. Then, we visit the **Sultanahmet Mosque**, where large groups of pilgrims start their pilgrimage to Mecca. It is decorated with 21,000 blue Iznik tiles from where it gets its name, the "Blue Mosque". Walk to the **world famous monument of Hagia Sophia**, the Byzantine Church of Divine Wisdom, where you can see the superb mosaics and the marble decorations. Our day concludes as we proceed to our hotel to check in for a farewell dinner and overnight. [B,D]

Day 10: Monday 6/25 ISTANBUL

On our last day of pilgrimage, we **tour the Topkapi Palace**, the official residence of the Ottoman Sultans. **See the famous treasury and the "Spoonmaker's Diamond"**, one of the largest diamonds in the world. Visit the **kitchen buildings**, displaying the third richest collection in the world of Chinese and Japanese porcelain. The **remainder of the day is free** to explore on your own. This evening, enjoy authentic local cuisine as **dinner is on your own**. Overnight in Istanbul. [B]

Day 11: Tuesday, June 26, 2018, ISTANBUL / USA

Today we bid farewell to Greece and Turkey and begin our return to the United States. We arrive home blessed by many graces of pilgrimage and the grandeur of God's magnificent landscape. [B]
