Day 1: Friday, October 11, 2024, USA / ATHENS

Pilgrims gather this evening at an international airport for our overnight flight to Athens. Meals and beverages are served on board.

Day 2: Saturday 10/12, ATHENS

ATHENS

Upon our arrival in Athens, we enjoy a **panoramic tour**, beginning with Hadrian's Arch and a view of the Royal Palace, the Stadium, the Temple of Zeus, and the Theatre of Dionysius. Time permitting, we visit Mars Hill, the site where St

Paul expounded the subject of monotheism before the pagan Greeks (this address is recorded in Acts 17:22-31) and the Acropolis and museum. The Greek word "acropolis" is used in a broad sense to designate the fortified height of a city. Located on the Acropolis of Athens is the famous Parthenon (the main temple of Athena). We will proceed to our hotel to check in for dinner and an overnight. [D]

Day 3: Sunday 10/13, ATHENS / CORINTH / ATHENS

Today we travel from Athens to the **Peloponnesian Peninsula**. The Peninsula is connected to the main body of Greece by the **Isthmus of Corinth**. We cross the Isthmus to the town of the same name, where Paul lived and worked for two years after leaving Athens. The account of the foundation of the Christian Church here by Paul, the Apostle and Patron Saint of Corinth, can be read in Acts 22. We view the excavations, the Bema Seat, and the museum. We return to Athens for a **night tour of the city and a sound and light show** before continuing to a typical **Greek Taverna for dinner**. Overnight in Athens. [B,D]

MYKONOS

Day 4 (CRUISE): Monday 10/14, ATHENS / PIRAEUS PORT / SAIL / MYKONOS / SAIL

This morning, we **board our ship** at the Piraeus pier for an Aegean cruise. Once we set sail, our first stop is the picturesque 29 square-mile **island of Mykonos**, known for its narrow winding paths, windmills, and over 350 tiny chapels that beautifully paint the island's characteristically blue and white canvas. Wander the streets of Mykonos, browse the many shops near the harbor, or relax and enjoy the breathtaking view and enjoy **dinner on your own (not included) or return to the ship for dinner (included)**.

We return to the ship to set sail for Kusadasi, Turkey. [B,D]

Day 5 (CRUISE): Tuesday 10/15, KUSADASI / SAIL / PATMOS / SAIL

Docked in Kusadasi, Turkey, we visit **Ancient Ephesus** through the Ages - Hellenistic and Roman.

EPHESUS EXCURSION ~ Ancient Ephesus through the Ages - Hellenistic and Roman.

Journey through some of the most important and formative periods of history captured in stories of the Hellenes, Romans and of Christianity. As we explore Ephesus, we see the open air archaeological wonder founded by the Greeks around 2000 BC. It was one of the most important cities of the region and was dedicated to the goddess Artemis. The Temple built in her honor was one of the Seven Wonders of the Ancient World. It had more than 100 marble pillars each standing 56 feet tall and it earned the city the name 'Servant of the Goddess.' A single pillar remains standing on the site, found during an excavation in the 1870s. We will be able to see the Agora, Odeon, the Library of Celsus, the marvel-paved Main Street of Curetes, the Baths of Scholastica, Trajan's Fountain, the Temple of Hadrian and the Houses of Koreuss, where the wealthy families of Ancient Ephesus lived. Only 13% of Ephesus has so far been uncovered. The finds from the excavations made so far are housed in the Archaeological Museum of Ephesus in the city of Selcuk. **Might not be recommended for guests with walking difficulties. A moderate amount of walking, including walking over uneven surfaces and climbing stairs, should be expected.**

We set sail for Patmos to capture the True Spirit of Chora.

PATMOS EXCURSION ~ Capturing the True Spirit of Chora

Patmos is one of the northernmost islands of the Dodecanese and a significant Christian pilgrimage site. You can almost feel its strong spiritual character and you may find your time here a truly moving, soulful experience. The Cave of the Apocalypse is where John of Patmos or St John the Theologian is said have received the visions he wrote of in the Book of Revelations. A fortress-like, 11th-century monastery dedicated to John overlooks the whitewashed houses of the hilltop capital, Hora (also known as Chora). In Chora, we head next to the Monastery of Zoodochos Pigi, is the unique 1625 mansion of Simandiri. The mansion has been converted into a folklore museum, beautifully preserved for eight generations now, the second oldest building in the town. Morfoula Simantiri is our host and guide, gracefully presenting her precious handmade embroideries. She is a member of the 8th generation. Step back in time and glimpse everyday life in Patmos during the past centuries through furniture, paintings, photographs, traditional tools and everyday objects. **Might not be recommended for guests with walking difficulties. A moderate amount of walking, including walking over uneven surfaces and climbing stairs, should be expected.**

We board the ship for the night and set sail for Rhodes. [B,L,D]

Day 6 (CRUISE): Wednesday 10/16, RHODES / SAIL

Nestled in port at Rhodes, today we **explore the Philirimos Church and the Palace of the Knights**.

RHODES EXCURSION ~ Philirimos Church/the Palace of Knights.

The Acropolis of Rhodes, just outside the city, dates from the Classical Greek period and sits proudly on the hill of St Stephanos. Wander through the ruins of the Hellenistic Temple of Apollo with its impressive columns. See the restored Ancient Stadium of Diagoras and theatre. The stadium once hosted games in tribute to the sun-god Helios. Then we head for Philirimos to the Monastery of Panagia. The Monastery, accessed by stone steps is dedicated to the Virgin Mary. It was built in the 15th Century by the Knights of St John. We also visit the Byzantine Church of St George Hostos with its rare frescoes depicting the Knights. Philirimos is also home to the 'Golgotha' a series of copper reliefs depicting the Passion of Christ. We return to the capital Rhodes to learn more about the Knights, where they lived and how they were the last bastion of Christianity in a region dominated by the Ottomans who eventually captured the island in 1522. In the Knights' Quarter we visit the magnificent Palace of the Grandmaster also known as the Kastello. **Might not be recommended for guests with walking difficulties. A moderate amount of walking, including walking over uneven surfaces and climbing stairs, should be expected.**

Dinner and overnight on board the ship. (B,L,D)

Day 7 (CRUISE): Thursday 10/17, HERAKLION-CRETE / SANTORINI / SAIL

Docked a half day in **Heraklion/Crete**, our first portion of the day will be spent Experiencing the Cretan Countryside and Lifestyle.

HERAKLION EXCURSION ~ Experiencing the Cretan Countryside and Lifestyle

Leaving the Venetian walls of Heraklion behind us, we drive deep into the countryside of Greece's largest island and the birthplace of Zeus according to mythology. We pass through Episkopi and Sgourokefali before arriving at the traditional village of Stironas. Take a deep breath, enjoy the fresh mountain air and take in the majestic view at 550 metres above sea level. Stironas is made up of traditional stone buildings arranged amphitheatrically looking towards the mountains. See how the Cretans lived centuries ago. Visit a botanical parterre, home to various aromatic and medicinal herbs from the mountains of Crete. There will be the opportunity for a little wine tasting - wine has been in Crete since the Minoans, so the locals have a bit of experience in the matter. We visit a raki distiller and sample the product straight from the barrels in his cellar. After finding out more about production and bottling there will be a Cretan meze to enjoy with pure local olive oil and traditional dancers performing for their guests. We head back to Heraklion to learn about some of its key historic figures and the jewels in the crown of its wonderful structures including the 'Koules' fortress, Venetian Loggia, Basilica of St Mark, medieval monastery of St Catherine and the Cathedral of Agios Minas. **Might not be recommended for guests with walking difficulties. A moderate amount of walking, including walking over uneven surfaces and climbing stairs, should be expected.**

We board the ship for lunch as we sail to **gorgeous Santorini**. Upon our arrival, we visit the **Akrotiri Village Excavations**.

SANTORINI

SANTORINI EXCURSION ~ Akrotiri Village Excavations

Modern day Santorini has been shaped quite literally by one event...the Thira volcano of 1650 BC. When Thira erupted it sank the centre of the island leaving behind an incredible caldera. And it is on that small, circular, remnant that Santorini now sits, about 200 miles from the Greek mainland. The municipality includes the inhabited islands of Santorini and Therasia and the uninhabited ones of Nea Kameni, Palea Kameni, Aspronisi and Christiana. The soaring landscapes that give Santorini its unique look were formed by the eruption and you will almost certainly gaze in awe as you journey on a tender boat to the port of Athina and the archaeological site once the village of Akrotiri. Destroyed by the eruption, Akrotiri boasts of its buildings, structures and fine frescoes that were preserved by the blanketing of volcanic ash. Then, we head for the capital Fira, the island's largest town. We visit the Orthodox Metropolitan Cathedral, also known as the Church of Ypapantis. It is famed for its frescoes painted by Santorini artist Christoforos Assimis. Shop, take a stroll, or relax with coffee before returning to the tender boats by way of the teleferik, the Santorini Cable Car. **Might not be recommended for guests with walking difficulties. A moderate amount of walking, including walking over uneven surfaces and climbing stairs, should be expected.**

Our day and our **cruise ends** aboard our ship as we return overnight to the Piraeus Port. [B,L,D]

Day 8: Friday 10/18, PIRAEUS PORT / AIRPORT / ISTANBUL

Docked and back on land, we **disembark and proceed to the airport for our flight to Istanbul, Turkey**. We proceed to our hotel to check in for dinner and over-night. **[B,D]**

Day 9: Saturday 10/19, ISTANBUL / NICAIA / ISTANBUL

After breakfast, we will **drive to Iznik**, formerly known as Nicaea, the important Roman and Byzantine town where the first Council of Nicaea was held during the reign of Constantine in 325 AD. **Drive back to Istanbul**. Next, we have **free time to explore independently**. This evening we enjoy a **dinner cruise on the Bosphorus** and over-night. **[B,D]**

Day 10: Sunday 10/20, ISTANBUL

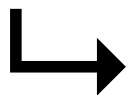

Istanbul was the capital of the Byzantine Empire under the names of Constantinople and Byzantium. First, we will stroll through **Hippodrome Square**, the former sporting and social center of Constantinople that hosted chariot races during the Roman period. Afterwards, we are off to witness the incredible majesty and splendor of the **Sultan Ahmet Mosque**. Popularly known as the Blue Mosque, this 17th century Ottoman sanctuary is adorned with six minarets and more than 20,000 hand-painted Iznik tiles. And then we will walk directly across from the mosque to visit the domed masterpiece of the **Hagia Sophia** before we head to the **Grand Bazaar**, the massive covered market that houses a labyrinth of streets lined with shops selling jewelry, leather products and many other handcrafted souvenirs. Today's journey concludes as we check into our hotel for dinner and overnight. **[B,D]**

Day 11: Monday 10/21, ISTANBUL / USA

We bid farewell to Greece and Turkey and begin our journey back to the United States. We arrive home blessed by the gift of God's many graces and inspired by the grandeur of His majestic landscapes and a world we explore one pilgrimage at a time. **[B]**
