Hours: M-F 9 AM - 5 PM E.S.T.

Day 1: Sunday, October 4, 2026, USA / DUBLIN

Pilgrims are welcomed at an international airport for our departing flight to the Emerald Isle aboard a wide-bodied jet, arriving the next morning. Meals are served on board.

Day 2: Monday 10/5, DUBLIN

Upon our arrival in Dublin, we meet our full-time tour escort, board our private coach, and enjoy a **brief city tour**. Known for its modern influences uniquely blended with the beauty and heritage of the past, we see the statue-lined O'Connell Street, Georgian Squares, and Phoenix Park. The city is also home to **Trinity College** which houses the 9th-century "Book of Kells", a medieval manuscript containing the four Gospels of the New Testament. We **visit there, view the book**, and then stop to see **St. Mary's Pro Cathedral**. This evening, we gather for the short drive to **The Merry Ploughboy Pub**, where we enjoy a fun, welcome dinner to the sounds of tradi-

COBH

tional Irish music and dance. Overnight in Dublin. [D]

Day 3: Tuesday 10/6, DUBLIN / KILKENNY / COBH / CORK

We depart Dublin this morning and head to the charming inland city of **Kilkenny**. We visit one of the country's medieval treasures, **St. Canice's Cathedral**, that dominates the city skyline. From there, we proceed to **Cobh** which was known as Queenstown before reverting to its old Irish name in 1922. Cobh (meaning the cove of Cork) is full of poignant memories because of its embarkation point for travel to America. Remember, Cobh was the last port of call for the ill-fated Titanic. This waterside town is comprised of brightly colored homes where its streets climb steep slopes leading to beautiful **St. Colman's Cathedral** that crowns the top. We visit the stunning cathedral before we conclude our day in Cork, Ireland's 3rd most populated city following Dublin and Belfast. Cork City is a 6th-century monastic settlement, urbanized sometime between 915-922 when a trading port was founded by the Vikings, has always been an important seaport. Today, the city boasts two cathedrals, an opera house, the English Market, and the grounds of University College Cork. Dinner and overnight in Cork. [B,D]

Day 4: Wednesday 10/7, CORK / GOUGANE BARRA / MUCKROSS / TRALEE

We depart Cork and travel west to **Gougane Barra Park** on the shores of the River Lee. It is here that natural beauty collides with towering hills over **Gougane Barra Lake and St. Finbarr's Oratory**. Just behind the Oratory are the remains of St Finbarr's Monastery from the 6th century. Then, we visit the **Muckross Friary and Muckross House and Gardens** located in Killarney National Park. Our journey ends today in **Tralee** where we check in at our hotel for dinner and overnight. [B,D]

Day 5: Thursday 10/8, TRALEE / GALLARUS ORATORY / SLEA HEAD / DINGLE / TRALEE

Be prepared today to see some of the most spectacular scenery in Ireland. We proceed to **Gallarus Oratory**, an

ancient dry-stone construction whose longevity testifies to the skill of its builders. Held together completely by the weight of stones (no mortar) the building has withstood wind and rain for over 1300 years. It is typical of the type of church in which St. Patrick himself worshipped. While the metaphorical battle still rages over the most beautiful southern peninsula, we will take the Dingle Peninsula. It is shorter and allows visitors to see the unspoiled beauty along winding **Slea Head Drive**, passing through **Slea Head** on the southwestern extremity of the peninsula. We wind around the coast to **Dingle**, a city on the peninsula that thrusts out into the Atlantic Ocean to claim Ireland's most westerly point. See the ancient stone **beehive huts** of pre-historic settlers and extensive panoramas giving mere glimpses of God's majestic hand in the landscapes of the Emerald Isle. We **return to Tralee**.

CLIFFS OF MOHER

This evening, sample authentic Irish cuisine at the restaurant of your choice as **dinner is on your own** Overnight in Tralee. [B]

Day 6: Friday 10/9, TRALEE / CLIFFS OF MOHER / GALWAY

Our travel takes us northbound today. We make our way to the incredible **Cliffs of Moher**, one of Ireland's most stunning locations where you stand in awe of the natural beauty of giant ramparts against the aggressive might of the Atlantic Ocean. In some places the cliffs rise over 700 feet and stretch for almost 5 miles. We visit **O'Briens Tower** (weather permitting), a vantage point located on the highest cliff. From there, we stop in **Galway to visit the Galway Cathedral of Our Lady Assumed into Heaven and St. Nicholas** where we will celebrate Mass (subject to confirmation). The Cathedral has a unique mix of Gothic, Romanesque, Renaissance and Eclectic styles. Overnight in Galway [B,D].

Day 7: Saturday 10/10, GALWAY / KNOCK / SLIGO / DERRY

Knock is where we begin today. It's a humble village whose shrine attracts pilgrims from all over the world, including Pope Saint John Paul II (1979) and Saint Mother Teresa (1993). On August 21, 1879, the eve of the Octave of the Assumption, the parish church of Knock was the scene of a heavenly apparition. The Blessed Mother, St. Joseph, St. John the Evangelist, and an altar with a Lamb upon it were seen by 15 townspeople. The saints were silent; no message was given to the people, only an example of prayer and a rich symbolism in their appearances. We visit the **location of the apparition, the Basilica of Our Lady, and can explore the grounds**. As we drive away heading toward Sligo, you'll see why Sligo is best known for its spectacular countryside, literary heritage, and the town's only surviving medieval structure, Sligo Abbey. Although the Abbey is currently closed to visitors, we can drive by and catch a glimpse. We **spend time touring**

▼▲ KNOCK

the city. Sligo is also the official burial place of Ireland's most renowned poet, prose writer, and dramatist, William Butler Yeats. He was instrumental in the Irish literary revival and received a Nobel Prize in 1923. We make a **brief stop at his official gravesite** before we continue to Northern Ireland (part of the United Kingdom) into **Derry**, a city steeped in history. Between 1613 and 1618, 400 workers built what would become the last of Ireland's walled cities. We will proceed to the impressive **St. Columb's Cathedral** that dates back between 1628 and 1633. The **Chapter House** in the cathedral contains the 17th-century locks and keys of the city. Our day concludes as we check in at our hotel in Derry for dinner and overnight. [B,D]

GIANT'S CAUSEWAY

Day 8: Sunday 10/11, DERRY / GIANT'S CAUSEWAY / BELFAST

Today we venture to **Giant's Causeway**, a unique geological landscape that is truly unlike any place else on earth. The causeway's interlocking hexagonal columns, resulting from the basaltic lava of an ancient volcanic eruption 6 million years ago, forever changed County Antrim's northern coast, earning it the prestige of a "Unesco World Heritage Site" title. Reading and hearing about the causeway does not begin to offer any realistic glimpse into this natural phenomenon. Only seeing is believing! Therefore, we shall "see". Then, we travel to **Belfast to tour the city and visit Saint Malachy's Church**, the 3rd oldest Catholic Church in the city of Belfast. Its ecclesiastical style was inspired by the Tudor period, but its fan vaulted ceilings are an architectural adaptation from the Henry VII Chapel in Westminster Abbey. The church boasts the largest bell in Belfast which sounds at least three times daily. We learn more about the ship-building industry, particularly the well-known RMS Titanic. We spend some time at the **Titanic Museum**. Master-planned, the museum sits where the RMS Titanic was designed, built, and launched. We learn about its path from conception to its ill-fated place in history. Belfast is compact and walkable so you can stop with friends or enjoy a private sampling of the delicious culinary delights of the Irish as **dinner is on your own** this evening. Overnight in Belfast. [B]

Day 9: Monday 10/12, BELFAST / ALLOWAY / GLASGOW

We travel further into the U.K. We stop in **Alloway, Scotland** to learn more about the birthplace of its national poet and literary genius, **Robert Burns**. His most renowned work, "Auld Lang Syne" was penned in 1788 and has been translated into many languages and is celebrated annually all throughout the world at the very moment a new year begins. We visit the **cottage where he was born** and lived his early years, the **museum that showcases some of his handwritten works**, and learn more about his life and literary contributions. From there, we continue to **Glasgow**, a port city in the western Scottish Lowlands. **Time permitting, we visit the Metropolitan Cathedral Church of Saint Andrew**, the mother church of the Archdiocese of Glasgow, located on the north bank of the river. From conception to its first Holy Mass, the cathedral took just over two years to build. We learn more about the Cathedral and how it survives in Protestant Scotland. Our day concludes as we check in at our hotel for dinner and overnight. [B,D]

ROBERT BURNS MONUMENT

Day 10: Tuesday 10/13, GLASGOW / FORT WILLIAM / FORT AUGUSTUS / CULLODEN MOOR / INVERNESS

This morning, we travel **to Fort William**. What happened at Fort William has been recorded as the Fort William Henry Massacre. The French army besieged the British camp forcing the British to surrender. In a surprise attack on the surrendered troops, Indigenous allies of the French stormed the garrison and slaughtered the British mercilessly. From there, we travel northeast to what was once **Fort Augustus**. Built after the Jacobite uprising of 1715, Fort Augustus was named after one of the King's sons, William Augustus. Known as steadfast opponent of Highlanders, it was William Augustus (a.k.a. The Butcher) who eradicated the Highland Clan system after his victorious one-hour clash at **Culloden Moor** that mutilated the Jacobite forces and left a savage scar in Scottish history. We explore the Culloden Moor **battlefield**. The fort was dismantled, and the parts were incorporated into the construction of a Benedictine Abbey. While the Abbey still exists, the religious vacated in 1998. Our day concludes as we arrive in **Inverness**, the gateway to the Highlands. We check in at our hotel for dinner and overnight. **[B,D]**

Day 11: Wednesday 10/14, INVERNESS / PITLOCHRY / EDINBURGH

Admire the beauty of the Highland region in Inverness where castles, mountains, wildlife, and whisky make this city popular. We stop at **Saint Mary's Catholic Church** nestled on the west bank of the River Ness. Keep watch as this river is where the legend of the Loch Ness monster was born. Saint Mary's boasts of its beautiful altar and stained-glass windows. Then, we move on to Pitlochry to explore the highlands and stop for some sampling at the **Blair Athol Distillery**, known for its single malt whisky. We enjoy **free time** to explore independently before we proceed **to the Capital city of Scotland, Edinburgh**. Dinner and overnight in Edinburgh. **[B,D]**

Day 12: Thursday 10/15, EDINBURGH

EDINBURGH CASTLE

HOLYROOD

We begin today at the **Metropolitan Cathedral of St Mary's**. It's unusual stained glass and the National Shrine to St Andrew are a couple of the features that attract pilgrims to the Cathedral in the heart of Edinburgh. Next, we visit ancient **Edinburgh Castle**, a castle whose claim to historical fame is based on its purpose. Transcending time, it's been a battlefield, a residence, a military headquarters, and today...a tourist favorite. We **explore the castle and grounds, seeing: the Great Hall, the**

Tower, the War Museum, St. Margaret's Chapel, and more. *[PLEASE NOTE: This site may be physically challenging for guests with physical limitations and those who are reliant on mobility devices, including wheelchairs.]* From there at the end of the Royal Mile, we visit the **Holyroodhouse** (UNESCO listed), the Scottish residence of the British Monarch. This evening, we enjoy a **group farewell dinner and wine at a local restaurant**. Overnight in Edinburgh. **[B,D]**

Day 13: Friday, October 16, 2026, EDINBURGH / USA

We begin our journey **back to the U.S.** with time to reflect on how God has woven awe and splendor into every nook of the world. Seeing the landscape, experiencing holiness, and witnessing the faith in faraway places reminds us of His power and love. **[B]**
